Equivalence of SLIATE Higher National Diploma (HND) Qualifications to NVQ Level 6

The Several Higher National Diploma (HND) programmes conducted by the SLIATE have been evaluated as equivalent to NVQ Level 6 under the National Vocational Qualification (NVQ) Framework.

Although a data entry system has already been established for the issuance of NVQ Level 6 equivalence certificates online, both the relevant applicants are currently facing considerable inconvenience due to the delay submission of required verification data from your institution in timely manner.

At present, applicants are personally obtaining certification of their documents from their respective SLIATE institutions and centers and submitting them to TVEC. However, many applicants are not aware that the relevant documents must also be submitted to the SLIATE Head Office and that an official verification email should subsequently be forwarded to TVEC by your institution. Due to the lack of awareness regarding this procedure, applicants experience unnecessary delays and inconvenience.

In view of the above, kindly inform all relevant SLIATE institutions centers and district offices regarding the procedure to be followed prior to applicants visiting TVEC for obtaining the NVQ equivalence certificate.
